

Dear Friends and Supporters of NOAH,  
There are just a few days left to make your 2017  
tax-deductible donations!

Have you been meaning to purchase a membership with  
NOAH but haven't gotten around to it yet?

Now is the perfect time!

**Through January 1**, the funds from any donations and  
memberships up to \$5,000 will count **TWICE**,  
thanks to a generous matching grant by the  
**Hamilton Saykaly Foundation!**

**Founding Memberships** show your commitment to NOAH, give you or your organization a permanent profile on the NOAH website, and help us achieve our current goals including: creating a new national structure and strategy for the arts, health, and well-being arena to coalesce; developing a meta-analysis of existing research, programs, and resources; and forming national standards, training, and certification for professional artists, healthcare arts administrators, and healthcare arts consultants.
