

Dear NOAH Conference Attendees,

We're so excited to share this time with you in the coming week! A few reminders and last-minute details:

**Your badges** can be picked up at registration. The HFSE registration will be located in the Austin Convention Center, on the first level near the entrance at the corner of Trinity Street and E Cesar Chavez St.

**All NOAH track events** will take place in room 9C, on the third level of the Convention Center.

**Don't forget to join us Sunday evening from 7-9 pm at the Mexic-  
Arte Museum** (419 Congress), just around the corner from the Convention Center. You'll have access to the new exhibits, hear from the NOAH board, have dinner on us, and get the opportunity to create a wearable art memento!

Thank you for helping us make this first conference a success. We look forward to meeting all of you and building relationships across the field of Arts in Health!

See you soon,

Katie White Swanson  
Administrator, NOAH
