## CONFERENCE SNEAK PEEK

### Ask an Expert Consulting Sessions

NOAH members will have access to a very limited opportunity – a free, 30-minute, one-on-one consulting session with a NOAH board member or ambassador!

NOAH members may register for these consultations in the members-only section of the NOAH website – on **June 29**. Members may submit requests for consultations in specific areas of arts in health and will be matched with an expert in their requested topic.

Some of the suggested categories include:

Adapting arts for military populations  
Curating an art collection in a hospital  
Structuring an academic class in arts in health  
How to advocate with regional and state arts agencies  
...and many more!

*Stay tuned, as we will remind you the week before registration goes live and anticipate that these spots will fill within a day.*

Haven't logged into the membership section of the website in a while?
