### NOMINATION DEADLINE: March 12, 2021

Nominations for New Board Members (Fall 2021 - Fall 2024) to be received by end of business PST on Friday, March 12, 2020.

As a NOAH Member, you have the benefit of recommending candidates for the NOAH Board of Directors, to be reviewed for nomination by the NOAH Governance Committee. As you consider your nominations for new NOAH Board members, kindly keep in mind that the Governance Committee's first priority is to increase diverse representation on the NOAH Board that reflects the communities and people that we serve. Therefore, you are encouraged to share if the person(s) you are nominating identifies with one or more historically marginalized or minoritized groups.

In addition, NOAH's goal is to include members who represent all areas of the diverse field of arts in health that are underrepresented on the Board. Currently, those underrepresented areas are: Nursing and Nursing administration, Medical Education, Behavioral Health, Museum, and Arts in the Military. We are seeking professionals in these areas: Development, Health Equity, Marketing, Public relations, Research, and Use of Social Media.

---

By completing this form, I wish to nominate the following individual or myself to be considered by the Nominating Committee to serve on the Board of Directors of NOAH beginning September 2021. It is my understanding that a Board member's commitment includes being a member in good standing, attending Board meetings, participating in making policies, supporting donor acquisition and fund-raising activities approved by the Board. This commitment also includes, but is not limited to, giving or getting an annual contribution per year monetarily or in-kind (above and beyond membership fees).
