

The **NOAH Essentials of Arts in Health** Online Test and Certificate of Completion ***Why should you get it?***

Last Revised May 4, 2023

What is it?

The NOAH Essentials of Arts in Health is a rigorous three-hour online exam that tests your knowledge and comprehension of the entire contents of the NOAH *Core Curriculum for Arts in Health Professionals* book. When you pass the exam, you'll receive from NOAH a digital certificate of completion that you can print and proudly display to show your mastery of foundational concepts, theories, and practices in the rapidly growing arts in health field.

Who is it for?

This NOAH Essentials of Arts in Health professional development opportunity is for any adult who is interested in learning more about the arts in health field of professional practice. Information about CEU approval by allied professional associations will be forthcoming. With this new professional designation, NOAH seeks to build foundational expertise to advance the arts in health field among professional fields including, but not limited to:

- Artists, Teaching Artists, and Community Arts Professionals
- Managers of Arts and Culture Organizations
- Healthcare Facility and Public Health Administrators
- Architects, Designers, and Art Consultants
- Medical Professionals such as Physicians, Nurses, and Therapists
- Social Workers and Community Health Professionals

Why should you get it?

There are at least five great reasons to take the NOAH Essentials of Arts in Health test:

1. You can use the NOAH *Core Curriculum for Arts in Health Professionals* book and the NOAH Essentials of Arts in Health test to structure your own rigorous self-study of foundational concepts, theories, and professional practices in the field.
2. You can list the certificate on your résumé and share this additional accomplishment on your performance evaluations.
3. You can use the certificate to screen applicants for professional positions, add oversight of arts in health to a staff member's work assignments, or train new staff members.
4. This NOAH certificate of completion verifies your mastery of a national standard of a body of knowledge that you may have developed through other educational programs and/or professional experience.
5. The NOAH Essentials of Arts in Health Certificate of Completion will continue to serve as a key element of additional professional credentialing offerings currently in development for artists and administrators working in healthcare facilities and community health contexts.
